## Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	Nitte (Deemed to be university) had a Learning Management System based on the Sakai platform in place since 2015. It was successfully scaled up to meet the needs of online teaching-learning when COVID-19 lockdown disrupted classes in March 2020. All programs were successfully transitioned into online mode by end of April 2020. Virtual Classroom facility was added in April 2020 to augment the Learning Management System. In October 2020, the University migrated to a completely new Learning Management System based on the Moodle Platform. The new platform is more modern, reliable and feature rich. Virtual Classroom facilities for live online classes have been integrated into the new LMS. By the end of December 2020, the University's Learning Management System has created capacity for 150 concurrent online classes that can support 2000 concurrent learners. Faculty training programs were conducted to empower teaching faculty to transition to online teaching-learning. Internal assessment tests as well as summative University examinations were held on the online platform for courses which had no / minimal skills assessments. For professional programs, students have been received in the campus with requisite safety measures and exams have been completed. The readiness of the University to implement e-learning was recognized by QS I-Gauge E-LEAD certification. NitteDU was one of the first Universities in India to receive this certification in May 2020		
3. The period of delay in completion of syllabus (in months).	3
