Founder

### **About the Management**

Nitte Education Trust was founded in 1979 by Late Justice K S Hegde, former Judge of the Supreme Court of India and Speaker of the Lok Sabha. Justice Hegde strongly believed that education is pivotal to the overall progress of a community and this vision led to the birth of Nitte Education Trust. His legacy is being continued by his son, Mr. N Vinaya Hegde.

## **Facilities**

### **Career Enhancement Training**

The institution has entered into a Memorandum of Understanding with International Skill Development Corporation, United Kingdom for a 4-year integrated program on 'International Certification in Healthcare Practice' to promote placement opportunities for students in European countries.

This program will be integrated in the regular BSc (Nursing) curriculum where students will be trained for English language (IELTS/OET), Computer based test and Objective Structured Clinical Examination. This will assist the BSc (N) students in placements abroad.

### **Student Training**

The students are trained at the 1000-bed multispecialty Justice K S Hegde Charitable Hospital. In addition to this, students are also exposed to community outreach programs at rural, urban and Primary Health Centres at Natekal, Nitte and Kadri which are attached to the college. Students also participate in the National Health Programs on Malaria, AIDS awareness, tuberculosis control, pulse polio etc. The college has well-equipped laboratories for clinical training prior to clinical postings. Supervised clinical training and mentoring is undertaken in the Institution to enhance clinical skills in students.

### **Library**

The college has a good library with more than 6253 books, 356 e-books and 828 e-journals, internet connectivity, Helinet & ProQuest access and Turnitin software to check plagiarism. Students can also make use of the library facilities of the medical college.

### **Research**

The college Research Cell encourages faculty, undergraduate and postgraduate students to undertake research under the guidance of senior faculty.

### **Faculty Development**

Continuous Nursing Education programs and workshops are held and paper presentations are encouraged at national and international seminars.

### **Hostel**

The college provides safe, secure, clean and well-furnished hostels with hygienic vegetarian and non-vegetarian food. The hostel mess is maintained by an app “Paaka-shale” which gives students the freedom to pre-book their favorite dishes apart from their regular vegetarian menu. Recreation facilities include indoor & outdoor games and television. A resident warden is available to ensure safety and healthcare requirements like doctor-on-call facility and to handle medical emergencies. The hostel has zero tolerance towards ragging, use of tobacco and drug abuse. Security personnel are placed round-the-clock in all the hostels.

### **Medicare**

Students can avail medical and dental treatment at the 1000-bed multispecialty Justice K S Hegde Charitable Hospital and the A B Shetty Dental College Hospital.

### **Conveyance**

Free transport facilities are provided to students through a fleet of buses plying regularly from various points in the city to the college and back. The campus also provides bicycles to commute within the campus. This is an initiative taken to maintain a healthy lifestyle and a green campus.

### **Sports**

An air-conditioned gymnasium, multi-purpose play ground with running track, basketball, volleyball and badminton courts are available in the campus. A full time physical education teacher is available in the Institute to train the students in sports activities.
