Recognized by

Nitte College of Pharmaceutical Sciences (NCOPS) was started in 2018 in Bengaluru, to provide a nurturing ground for pharmacy professionals. The college is in a green 23-acre campus in Yelahanka, Bengaluru. Our commitment is to develop the college into a world-class learning centre and impart continuing education programs. NCOPS is offering both Bachelor's and Master's program in pharmacy. The college has highly qualified and dedicated faculty who help students in research, placements and pharmaceutical skills.
