

DEPARTMENT OF CYBER SECURITY

Patent Publication:

1. Patents, India (Registered and Published), Title of the invention: ARTIFICIAL INTELLIGENCE (AI) DRIVEN MULTI-MODAL COMPARATIVE ANALYSIS ON IMAGE CLASSIFICATION SYSTEM AND METHOD THEREOF, International classification: G01R0031392000, G16H0050300000, G08B0021180000, G01R0031367000, G01J0001440000, Application No. 202541075101 A, Publication Date: 05/09/2025.
2. Patents, India (Registered and Published), Title of the invention: REAL TIME IMAGE TO SKETCH GENERATION SYSTEM, International classification: G06N0020000000, G06Q0030018000, G06T0007900000, A61B0005346000, G16H0020300000, Application No. 202541013743 A, Publication Date: 18/02/2025.
3. Patents, India (Registered and Published), Title of the invention: A SYSTEM AND METHOD FOR BOT DETECTION USING NETWORK PACKET METADATA AND BEHAVIORAL HEURISTICS, International classification: H04L0009400000, H04L0043120000, H04L0069220000, H04L0043028000, H04L0047244100, Application No. 202541073544 A, Publication Date: 22/08/2025.
