Geomitra

The Department of Electrical and Electronics Engineering (EEE), in collaboration with the Department of Mathematics, organized a mathematics-based engineering competition titled Geomitra on 22nd March 2025. The event commenced with a welcome address by Dr. Suryanarayana K, Professor and Head of the EEE Department.

Geomitra was a distinctive competition wherein each team comprised two participants. A series of mathematics questions were hosted on a dedicated website, and upon solving each question, participants were required to use their answers to construct a corresponding diagram. Students from various departments participated enthusiastically, displaying commendable problem-solving skills and active engagement throughout the event. The competition highlighted the participants' strong teamwork and analytical abilities as they navigated the mathematical challenges to produce precise diagrams. The winners received cash prizes in recognition of their efforts. Overall, the event was well-received and marked a resounding success.
