Gully Games- Back in time

31 January 2026

The Department of Electrical and Electronics Engineering (EEE), NMAM Institute of Technology, Nitte under the association of Electrical and Electronics Engineering students aptly, nicknamed “Elites” successfully organized a “Gully Games–Back in time”, a themed sports event on 24 January 2026, between 9:00 AM and 1:00 PM at the BC Alva Sports Ground. The event was organized with the motto of encouraging students to step out of their regular academic activities and relive the joy of traditional childhood games, promoting relaxation, bonding and overall well-being. A total of seven gully games were conducted, namely Lagori, Lemon & Spoon Race, Dodge Ball, Sack Race, Three-Legged Race, and Tug of War, with the events being organized separately for both boys and girls. The event witnessed enthusiastic participation from over 100 students, spanning first year to final year B.Tech (EEE) students. The presence of the Head of the Department, faculty members, and technical staff added great value to the occasion, as they enthusiastically participated in the events and strengthened the spirit of togetherness. Overall, the event was a grand success, fostering team spirit, nostalgia and a sense of unity among students and staff, while reinforcing the importance of balancing academics with recreational activities.

e-Ruchi – Cooking Without Fire

31 January 2026

The Department of Electrical and Electronics Engineering (EEE), NMAM Institute of Technology, Nitte under the association of Electrical and Electronics Engineering students aptly, nicknamed “Elites” successfully organized “e-Ruchi - Cooking Without Fire”, a creative culinary competition, on 31 January 2026 between 9:30 AM and 12:30 PM at NC21, NC24 and NC25 classrooms in the second floor of Sir M. V. Block.

The competition was conducted with the objective of encouraging students to showcase their culinary creativity and promote awareness of healthy and nutritious food preparation without the use of fire. Participants presented a wide variety of innovative dishes emphasizing nutrition, presentation and originality.

A total of 32 student teams participated in the event, along with two faculty teams comprising teaching and technical staff, adding to the enthusiasm and inclusivity of the competition. The event witnessed active participation from over 125 students, representing all years of the B.Tech (EEE) program, from the first year to the final year.

The performances were evaluated by Dr. Sonia Lobo and Mrs. Thanushree Hegde, who served as the judges for the competition. Their expert judgment and encouraging feedback greatly enriched the learning experience for the participants.

Overall, the event was a grand success, fostering creativity, teamwork and healthy lifestyle awareness among students while creating a vibrant and engaging atmosphere on campus.
