Parent – Teacher Meeting

October 09, 2026

The Department of Electrical and Electronics Engineering (EEE) NMAM Institute of Technology, Nitte organised the parent-teacher meeting on October 03, 2026 at Sir MV Block. Dr. Rajalakshmi Samaga B. L., Professor and Head, Department of Electrical and Electronics Engineering (EEE), warmly welcomed the parents and faculty members to the meeting. In her address, she highlighted the key activities and initiatives undertaken by the department and encouraged parents to motivate their wards to actively participate in various departmental activities, thereby fostering their confidence and preparing them to become competent engineers. She also highlighted the noteworthy achievements and professional progress of the department's alumni, urging parents to draw inspiration from their success and encourage their wards to strive for similar accomplishments.

Following her address, she invited the parents to interact with the respective course-handling faculty members and faculty mentors to gain insights into their wards' academic progress, strengths, and areas requiring further development. More than fifty parents actively participated in the discussion with the Head of the Department and subsequently engaged in individual interactions with the faculty members. The meeting was organised collectively for the parents of students across all years of the B.Tech. programme in Electrical and Electronics Engineering.

Industrial Visit – Deepthi Wire Industries, Karwar

October 15, 2026

The Department of Electrical and Electronics Engineering (EEE) NMAM Institute of Technology, Nitte in association with the ELITES (Association of Electrical and Electronics Engineering students of EEE, Nitte), organised an industrial visit to Deepthi Wire Industries, Alageri, Karwar, for the students of fifth semester on October 09-10, 2026. The students were accompanied by Dr. Nandini KK, Asst. Professor – Grade III and Mr. Sunil Naik S, Asst. Professor – Grade – II. The visit provided the students with the practical exposure to the wire manufacturing processes, industrial operations and applications of electrical engineering in the industry. The industrial visit benefited more than sixty students, providing them with valuable practical exposure and insights into industry practices.

Industrial Visit - Varahi

October 28, 2026

The Department of Electrical and Electronics Engineering (EEE) NMAM Institute of Technology, Nitte in association with the ELITES (Association of Electrical and Electronics Engineering students of EEE, Nitte), organised an industrial visit to Varahi Hydroelectric Power Plant in two batches for the students of third semester on October 16 and 23, 2026. The students were accompanied by Dr. Nandini KK, Asst. Professor – Grade III, Mrs. Swathi K, Asst. Professor – Grade – II and Mr. Jayatheertha HJ, Asst. Professor – Grade III. The visit helped the students to understand the different parts of the hydroelectric power plant, plant operation and the associated electrical equipment. More than one hundred students benefited from the visit, gaining valuable practical exposure and industry-related insights.

Ayudha Pooja

October 23, 2026

The Department of Electrical and Electronics Engineering (EEE) NMAM Institute of Technology, Nitte in association with the ELITES (Association of Electrical and Electronics Engineering students of EEE, Nitte) celebrated the Ayudha Pooja on October 20, 2026 in Power Electronics Laboratory. The celebration involved the singing of bhajans, performing pooja to the tools, instruments and equipment used in the labs, seeking the blessings of goddess Vidya Saraswathi. The event was witnessed by Dr. Rajalakshmi Samaga, BL, Professor and Head – EEE, both the teaching and non-teaching faculty members and the students of all the semesters.

Cricket Match

October 31, 2026

The Department of Electrical and Electronics Engineering (EEE) NMAM Institute of Technology, Nitte in association with the ELITES (Association of Electrical and Electronics Engineering students of EEE, Nitte), organised an intra-department cricket match on October 24, 2026 at BC Alva Complex. The match witnessed enthusiastic participation from students with the faculty members encouraging and motivating the participants. The match promoted sportsmanship, team work and a spirit of healthy competition amongst students. Overall, the students got a break from their regular studies and enjoyed the event.
