

Circuit Design Competition

Organised by the Department of Information Science and Engineering

The Department of Information Science and Engineering, NMAMIT, Nitte, organized a “Circuit Design Competition–Exhibition” for third-semester students on 20th October 2016, in association with ISTE and VISTA, the student association of the department.

Ms. Rashmi and Ms. Chinmai, faculty members from the Department of Information Science and Engineering, coordinated the event. Mr. Dhananjaya B from Canara Engineering College, Mangaluru, and Mr. Rakesh Joshi from NMAMIT, Nitte, served as the judges for the competition.

A total of 21 teams presented their projects to the judges. Among them, three teams were awarded the Best Project Award. Some of the projects exhibited by the students included Line Following Robot, Laser Security Alarm, Utilization of Solar and Wind Energy in Buses, and Solar Tracking System.
