Online Education

1. Does all programs/courses were completed on time.	Yes
--	-----

2. Measures taken to complete the syllabus of courses and programs.		<p>Online Education Measures Taken to Complete the Syllabus of Courses and Programmes</p> <p>The institute runs 9 undergraduate engineering and 10 postgraduate engineering/management programs. In every program, there are about 6 to 8 courses in each semester. A total of 120 courses are being taught by the faculty members every semester. Classes were conducted online during the month of April, May and June 2021. Faculty used different platforms like Zoom, Google meet, Webex, YouTube, Microsoft teams etc for teaching.</p> <p>"Moodle – the Learning Management System" which has been used for last 9 years in the Institute was used for all communication, for conducting tasks etc. The entire teaching material was made available through Moodle login and also for repeat viewing of lectures. All online classes were recorded, which really helped the students during the examination time. Ours' being a Remote Center of NITK Surathkal's Virtual lab, faculty could enable conduction of a few experiments remotely. Teachers also did the experiments in the laboratory and recorded the same and shared with the students. All programming related laboratory experiments were remotely monitored by the teachers through the shared screens of the student desktop computers/laptops.</p> <p>Internal Examinations were conducted in online mode very effectively, which was proctored. For every 6-8 students, there was one invigilator monitoring the students writing the exams and students were asked to upload the answer sheets immediately after the examination, after scanning the sheets. Teachers could evaluate the scanned answer sheets and entire evaluation process could get over within one week after the last examination. Even the project viva-voce and student seminars were held through online mode and all interactions have been kept in a recorded softcopy in the college repository. Recorded video lectures of both theory and lab courses has been made available to the students in many different courses to help them understand the topics better.</p> <p>To enable effective online classes, the institute upgraded its internet Bandwidth from 330Mbps to 1.5Gbps in 2021. We have taken feedback from the students at different intervals of time, about the effectiveness of online teaching-learning-evaluation and we have been getting very encouraging feedback from the majority of the students. Faculties are also comfortable with the online mode of teaching and evaluation.</p>	
3. The period of delay in completion of syllabus (in months).		1	
4. The period of delay in conducting exams (in months).		1	
Portal Name	No. of students offered online courses which have credit transferred to transcript	Total no. of online courses which have credit transferred to the transcript	Total no. of credits transferred to transcript
