Conclusion:

Firstly, I must thank the parents for their unconditional support and encouragement in all our activities and programs.

We are blessed with students who respond well to our ideas and programs. Our students, both in the past and on at present, have together given us immense strength and inspiration. I feel happy when my bright and talented students perform remarkably well both

in academic and co-academic activities. I am very sure through collaborative effort we can achieve more to benefit our students who are the future leaders of tomorrow.

Our alumni are spread all over the world today, but they keep in touch with their alma mater. We appreciate their love. They are, undoubtedly, our most loyal ambassadors.

We, the Principal, staff members, and the students thank our benevolent President Sri. N. Vinaya Hegde, Correspondent Sri. Vishal Hedge, and other trustees of the college for their continued support and guidance.

We also extend our thanks to Sri. Yogeesh Hedge, Registrar of the campus, Prof. Niranjan N. Chiplunkar Principal, NMAMIT Nitte and Principals and Staff members of our sister institutions, Resident Engineer, and his staff members for their whole-hearted support.

Finally, I would like to place on record my appreciation for the dedicated service of my colleagues and co-operation from the students. I am thankful to each of them.
