From Principal's Desk...

Dear Reader,

'PRODIGY' is a bi-annual newsletter which provides brief information of our college activities, student achievements and faculty accomplishments in the second semester of the

academic year 2019-2020. With immense pleasure I present this edition to you esteemed readers.

Well, world continues to navigate the COVID-19 pandemic. Being one of the worst affected segments by COVID-19, the education sector is actively exploring alternative methods for content delivery, student evaluation, student-faculty interaction and effective engagement of human resources. With the effect from 01 September 2020 we have been successfully conducting online classes to our students. Undoubtedly this shift in the educational paradigm has caused some bewilderment among students and teachers. But such challenges bring golden opportunities as well. We can be self-reliant in many technological domains. So, I urge each one of you to adapt to this newness.

My sincere thanks to teachers who continue to work together to ensure students' overall development. My heartfelt thanks to the parents who encourage us and support the decisions we make to manage the changes the pandemic has inflicted on us. Our students are our pride, I thank them for being active learners throughout. I am hopeful of smooth and rewarding journey through to the end of this year.

I wish good health and peace to you all...
