The News Bulletin of Dr. Nitte Shankara Adyanthaya Memorial First Grade College, Nitte

Volume : 15

Issue : 2

May 2018

From Principal's Desk...

It gives me immense pleasure to pen down few words as prologue to our by-annual news bulletin 'PRODIGY' exclusively meant to highlight the effort of our students and faculty members.

In the light of latest events of 'using technology to solve social issues still remained significantly underexplored'. Conservation of nature is important to ensure a balanced environment. However, sadly enough many natural resources are depleting at a fast rate. Each one must contribute his/her bit towards conservation of Nature, 'Save Nature'.

It is never too late. While one person may not make a big impact on the environment by him/her self, the collective simple efforts of many concerned people can help conserve nature. So, start taking responsibility to conserve nature and bring a change or else it may descend into nothing.

I wish all the outgoing students all success in their future endeavors and I welcome all the new entrants.

Dr. Veena Kumari B. K.
Principal

Endowment Lecture

The sixth Endowment lecture was held on 28th February 2018, on the topic 'Banking and Digitization'. Addressing the students the Guest Speaker Sri. Mahabaleshwara M.
